The Fees Commission to host public hearings in Nelspruit

The Commission of Inquiry into Higher Education and Training (Fees Commission) will host public hearings into the feasibility of a fee-free higher education on Monday, 22 August 2015 at the **Mbombela Stadium**, Nelspruit.

This public hearing will focus mainly on the overview of the relevant issues and it forms part of the series of hearings that will be held across the country with various identified stakeholders.

The Fees Commission was established in January 2016 to inquire into, report on and make recommendations on the feasibility of a fee free higher education and training in South Africa.

It is expected to submit a preliminary report to the President in November 2016 and a full report in June 2017.

Attached is the programme of the day with stakeholders who will be making presentations.
