7.3 REQUEST PROCEDURE

Granting or refusal of request:

A requester must be given access to a record of a public body if the requester complies with the following:

- The requester complies with all the procedural requirements in the Act relating to the request for access to that record; and
- Access to that record is not refused on any ground of refusal mentioned in the Act.

How do I request access to a record?

- A requester must use the form (Form A) that was printed in the Government Gazette (Government Notice R187 of 15 February 2002).
- The requester must also indicate if the requester wants a copy of the record or if the requester wants to come in and look at the record at the offices of the public body. Alternatively if the record is not a paper document it can then be viewed in the requested form, where possible.
- If a person asks for access in a particular form (e.g.: a paper copy, electronic copy, etc) then the requester should get access in that form. This is unless doing so would interfere unreasonably with the running of the public body concerned, or damage the record, or infringe a copyright not owned by the state. If for practical reasons access cannot be given in the required form but in another form, then the fee must be calculated according to the way that the requester first asked for it.
- If, in addition to a written reply to their request for the record, the requester wants to be told about the decision in any other way, e.g. telephone, this must be indicated.
- If a requester is asking for the information on behalf of somebody else, the capacity in which the request is being made must be indicated.
- If a requester is unable to read or write, or has a disability, then the request can be made orally. The Deputy Information Officer must then fill in the form on behalf of such a requester and give them a copy of the completed form.

Fees payable for a request and notification of decision on access :

- A requester who seeks access to a record containing personal information about that requester is not required to pay the request fee. Every other requester must pay the request fee of R35.

- The Deputy Information Officer must notify the requester (other than a personal requester) by notice, requiring the requester to pay the prescribed request fee (if any) and deposit (if any) before further processing the request.
- The requester may lodge an internal appeal, where appropriate, or an application to the court against the tender or payment of a fee.

- After the Deputy Information Officer has made a decision on the request the requester must be notified of such a decision in the way in which the requester wanted to be notified in.

- If the request is granted then a further access fee must be paid for the reproduction and for search and preparation for any time required in excess of stipulated hours to search and prepare the record for disclosure.

- Access to a record will be withheld until all the applicable fees have been paid.
